All correspondence between Rep. Don Young, R-AK, or any member of his staff or any staff member of the U.S. House Committee on Natural Resources or Committee on Transportation and Infrastructure acting on behalf of Don Young and any employee of the Maritime Administration between January 1, 2000, and the present. You seek all correspondence between the congressman, staff, aforementioned committee staff and the Maritime Administration. 3. All internal correspondence within the Maritime Administration referencing Young from January 1, 2000 to present. 4. Funding to individual contractors/subcontractors. I am looking for the name of the entity, the award amount, the amount paid to date, the work covered, the periods of performance, and the procurement type. You can limit this to contractors and subs that have received at least \$500,000. This would include PND and ICRC as well as various subcontractors. I am attaching information I received from MARAD in 2008. I am looking for an updated version of Attachment A, again with a higher cutoff. 5. Any MOA between the Maritime Administration and the city and Port of Anchorage signed after February 16, 2006.	6/5/2014	Closed
