GENERAL TERMS AND CONDITIONS

The Consolidated Appropriations Act, 2021, Pub. L. No. 116-260 (Dec. 27, 2020) appropriated funds to the United States Department of Transportation (the “USDOT”) under the heading “Transportation Demonstration Program.” The funds are available to provide Federal financial assistance to projects that expand intermodal and multimodal freight and cargo transportation infrastructure, including airport development under Chapter 471 of title 49, United States Code.

On February 25, 2021, the USDOT published a “Notice of Funding Opportunity for the Transportation Demonstration Program under the Consolidated Appropriations Act, 2021,” (the “NOFO”), published on Grants.gov under opportunity number DTOS59-RA-TDPFY2021, to solicit applications for Federal financial assistance.

These general terms and conditions are incorporated by reference in a project-specific agreement under the fiscal year 2021 TDP. Articles 1–7 are in the project-specific portion of the agreement. The term “Recipient” is defined in the project-specific portion of the agreement. Attachments A through D are project-specific attachments.

ARTICLE 8 PURPOSE

8.1 Purpose. The purpose of this award is to expand intermodal and multimodal freight and cargo transportation infrastructure, including airport development under Chapter 471 of title 49, United States Code. The parties will accomplish that purpose by achieving the following objectives:

- (1) timely completing the Project; and
- (2) ensuring that this award does not substitute for non-Federal investment in the Project, except as proposed in the Technical Application, as modified by section 3.3 and Attachment B.

ARTICLE 9 USDOT ROLE

9.1 Administering Operating Administration.

- (a) The Maritime Administration (“MARAD”) will administer this agreement on behalf of the USDOT. In this agreement, the “Administering Operating Administration” means MARAD.

9.2 USDOT Program Contacts.

ARTICLE 10 RECIPIENT ROLE

10.1 Statements on the Project. The Recipient states that:

- (1) all material statements of fact in the Technical Application were accurate when that application was submitted; and
- (2) Attachment C documents all material changes in the information contained in that application.

10.2 Statements on Authority and Capacity. The Recipient states that:

- (1) it has the authority to receive Federal financial assistance under this agreement;
- (2) it has the legal authority to complete the Project;
- (3) it has the capacity, including institutional, managerial, and financial capacity, to comply with its obligations under this agreement;
- (4) not less than the difference between the “Total Eligible Project Cost” and the “TDP Grant Amount” listed in section 3.3 are committed to fund the Project;
- (5) it has sufficient funds available to ensure that infrastructure completed or improved under this agreement will be operated and maintained in compliance with this agreement and applicable Federal law; and
- (6) the individual executing this agreement on behalf of the Recipient has authority to enter this agreement and make the statements in this article 10 and in section 24.7 on behalf of the Recipient.

10.3 USDOT Reliance. The Recipient acknowledges that:

- (1) the USDOT relied on statements of fact in the Technical Application to select the Project to receive this award;
- (2) the USDOT relied on statements of fact in both the Technical Application and this agreement to determine that the Recipient and the Project are eligible under the terms of the NOFO; and
- (3) the USDOT relied on statements of fact in both the Technical Application and this agreement to establish the terms of this agreement.

10.4 Project Delivery.

- (a) The Recipient shall complete the Project under the terms of this agreement.
- (b) The Recipient shall ensure that the Project is financed, constructed, operated, and maintained in accordance with all Federal laws, regulations, and policies that are applicable to projects of the Administering Operating Administration.

10.5 Rights and Powers Affecting the Project.

- (a) The Recipient shall not take or permit any action that deprives it of any rights or powers necessary to the Recipient's performance under this agreement without written approval of the USDOT.
- (b) The Recipient shall act promptly, in a manner acceptable to the USDOT, to acquire, extinguish, or modify any outstanding rights or claims of right of others that would interfere with the Recipient's performance under this agreement.

10.6 Notification of Changes to Key Personnel. The Recipient shall notify all USDOT representatives who are identified in section 5.4 in writing within 30 calendar days of any change in key personnel who are identified in section 5.3.

ARTICLE 11 AWARD AMOUNT, OBLIGATION, AND TIME PERIODS

11.1 Federal Award Amount The USDOT hereby awards a TDP Grant to the Recipient in the amount listed in section 2.2 as the TDP Grant Amount.

11.2 Federal Obligation. This agreement obligates for the budget period the amount listed in section 2.2 as the TDP Grant Amount.

11.3 Budget Period. The budget period for this award begins on the date of this agreement and ends on the budget period end date that is listed in section 2.3. In this agreement, "budget period" is used as defined at 2 CFR 200.1.

- 11.4 Period of Performance.** The period of performance for this award begins on the date of this agreement and ends on the period of performance end date that is listed in section 2.3. In this agreement, “period of performance” is used as defined at 2 CFR 200.1.

ARTICLE 12

STATEMENT OF WORK, SCHEDULE, AND BUDGET CHANGES

- 12.1 Notification Requirement.** The Recipient shall notify all USDOT representatives who are identified in section 5.4 in writing within 30 calendar days of any change in circumstances or commitments that adversely affect the Recipient’s plan to complete the Project. In that notification, the Recipient shall describe the change and what actions the Recipient has taken or plans to take to ensure completion of the Project. This notification requirement under this section 12.1 is separate from any requirements under this article 12 that the Recipient request modification of this agreement.
- 12.2 Statement of Work Changes.** If the Project’s activities differ from the statement of work that is described in section 3.1 and Attachment A, then the Recipient shall request a modification of this agreement to update section 3.1 and Attachment A.
- 12.3 Schedule Changes.** If one or more of the following conditions are satisfied, then the Recipient shall request a modification of this agreement to update the relevant dates:
- (1) a substantial completion date for the Project or a component of the Project is listed in section 3.2 and the Recipient’s estimate for that milestone changes to a date that is more than six months after the date listed in section 3.2;
 - (2) a schedule change would require the budget period to continue after the budget period end date listed in section 2.3; or
 - (3) a schedule change would require the period of performance to continue after the period of performance end date listed in section 2.3.

For other schedule changes, the Recipient shall request a modification of this agreement unless the USDOT has consented, in writing consistent with the Administering Operating Administration’s requirements, to the change.

12.4 Budget Changes.

- (a) The Recipient acknowledges that if the cost of completing the Project increases:
- (1) that increase does not affect the Recipient’s obligation under this agreement to complete the Project; and
 - (2) the USDOT will not increase the amount of this award to address any funding shortfall.

- (b) The Recipient shall request a modification of this agreement to update section 3.3 and Attachment B if, in comparing the Project's budget to the amounts listed in section 3.3:
 - (1) the "Non-Federal Funds" amount decreases; or
 - (2) the "Total Eligible Project Cost" amount decreases.
- (c) For budget changes that are not identified in section 12.4(b), the Recipient shall request a modification of this agreement to update section 3.3 and Attachment B unless the USDOT has consented, in writing consistent with the Administering Operating Administration's requirements, to the change.
- (d) If the actual eligible project costs are less than the "Total Eligible Project Cost" stated in section 3.3, then the Recipient may reduce non-Federal funds contributed to the project. But the Recipient shall not reduce below 20% the non-Federal share of eligible project costs.

12.5 USDOT Acceptance of Changes. The USDOT may accept or reject modifications requested under this article 12, and in doing so may elect to consider only the interests of the TDP and the USDOT. The Recipient acknowledges that requesting a modification under this article 12 does not amend, modify, or supplement this agreement unless the USDOT accepts that modification request and the parties modify this agreement under section 21.1.

ARTICLE 13 GENERAL REPORTING TERMS

- 13.1 Report Submission.** The Recipient shall send all reports required by this agreement to all USDOT contacts who are listed in section 5.4 and all USDOT contacts who are listed in section 9.2.
- 13.2 Alternative Reporting Methods.** The Administering Operating Administration may establish processes for the Recipient to submit reports required by this agreement, including electronic submission processes. If the Recipient is notified of those processes in writing, the Recipient shall use the processes required by the Administering Operating Administration.

ARTICLE 14 PROGRESS AND FINANCIAL REPORTING

- 14.1 Quarterly Project Progress Reports and Recertifications.** On or before the 20th day of the first month of each calendar year quarter and until the end of the budget period, the Recipient shall submit to the USDOT a Quarterly Project Progress Report and Recertification in the format and with the content described in exhibit C. If the date of

this agreement is in the final month of a calendar year quarter, then the Recipient shall submit the first Quarterly Project Progress Report and Recertification in the second calendar year quarter that begins after the date of this agreement.

14.2 Final Progress Reports and Financial Information. No later than 120 days after the end of the budget period, the Recipient shall submit:

- (1) a Final Project Progress Report and Recertification in the format and with the content described in exhibit C for each Quarterly Project Progress Report and Recertification, including a final Federal Financial Report (SF-425); and
- (2) any other information required under the Administering Operating Administration's award closeout procedures.

ARTICLE 15 NONCOMPLIANCE AND REMEDIES

15.1 Noncompliance Determinations.

- (a) If the USDOT determines that the Recipient may have failed to comply with the United States Constitution, Federal law, or the terms and conditions of this agreement, the USDOT may notify the Recipient of a proposed determination of noncompliance. For the notice to be effective, it must be written and the USDOT must include an explanation of the nature of the noncompliance, describe a remedy, state whether that remedy is proposed or effective at an already determined date, and describe the process through and form in which the Recipient may respond to the notice.
- (b) If the USDOT notifies the Recipient of a proposed determination of noncompliance under section 15.1(a), the Recipient may, not later than 7 calendar days after the notice, respond to that notice in the form and through the process described in that notice. In its response, the Recipient may:
 - (1) accept the remedy;
 - (2) acknowledge the noncompliance, but propose an alternative remedy; or
 - (3) dispute the noncompliance.

To dispute the noncompliance, the Recipient must include in its response documentation or other information supporting the Recipient's compliance.

- (c) The USDOT may make a final determination of noncompliance only:
 - (1) after considering the Recipient's response under section 15.1(b); or
 - (2) if the Recipient fails to respond under section 15.1(b), after the time for that response has passed.

- (d) To make a final determination of noncompliance, the USDOT must provide a notice to the Recipient that states the bases for that determination.

15.2 Remedies.

- (a) If the USDOT makes a final determination of noncompliance under section 15.1, the USDOT may impose a remedy, including:
 - (1) additional conditions on the award;
 - (2) any remedy permitted under 2 CFR 200.339–200.340, including withholding of payments; disallowance of previously reimbursed costs, requiring refunds from the Recipient to USDOT; suspension or termination of the award; or suspension and disbarment under 2 CFR Part 180; or
 - (3) any other remedy legally available.
- (b) To impose a remedy, the USDOT must provide a written notice to the Recipient that describes the remedy, but the USDOT may make the remedy effective before the Recipient receives that notice.
- (c) If the USDOT determines that it is in the public interest, the USDOT may impose a remedy, including all remedies described in section 15.2(a), before making a final determination of noncompliance under section 15.1. If it does so, then the notice provided under section 15.1(d) must also state whether the remedy imposed will continue, be rescinded, or modified.
- (d) In imposing a remedy under section 15.2(a) or making a public interest determination under section 15.2(c), the USDOT may elect to consider the interests of only the USDOT.
- (e) The Recipient acknowledges that amounts that the USDOT requires the Recipient to refund to the USDOT due to a remedy under section 15.2(a)(2) constitute a debt to the Federal Government that the USDOT may collect under 2 CFR 200.346 and the Federal Claims Collection Standards (31 CFR Parts 900–999).

15.3 Other Oversight Entities. Nothing in this article 15 limits any party’s authority to report activity under this agreement to the United States Department of Transportation Inspector General or other appropriate oversight entities.

ARTICLE 16

AGREEMENT TERMINATION

16.1 USDOT Termination.

- (a) The USDOT may terminate this agreement and all of its obligations under this agreement if any of the following occurs:
 - (1) the Recipient fails to obtain or provide any non-TDP Grant contribution or alternatives approved by the USDOT as provided in this agreement and consistent with article 3;
 - (2) a construction start date for the Project or a component of the Project is listed in section 3.2 and the Recipient fails to meet that milestone by six months after the date listed in section 3.2;
 - (3) a substantial completion date for the Project or a component of the Project is listed in section 3.2 and the Recipient fails to meet that milestone by six months after the date listed in section 3.2;
 - (4) the Recipient fails to meet a milestone listed in section 4.1 by the deadline date listed in that section for that milestone;
 - (5) the Recipient fails to comply with the terms and conditions of this agreement, including a material failure to comply with the schedule in section 3.2 even if it is beyond the reasonable control of the Recipient; or,
 - (6) the USDOT determines that termination of this agreement is in the public interest.
- (b) In terminating this agreement under this section, the USDOT may elect to consider only the interests of the USDOT.
- (c) This section 16.1 does not limit the USDOT's ability to terminate this agreement as a remedy under section 15.2.
- (d) The Recipient may request that the USDOT terminate the agreement under this section 16.1.

16.2 Closeout Termination.

- (a) This agreement terminates on Project Closeout.
- (b) In this agreement, "**Project Closeout**" means the date that the USDOT notifies the Recipient that the award is closed out. Under 2 CFR 200.344, Project Closeout should occur no later than one year after the end of the period of performance.

16.3 Post-Termination Adjustments. The Recipient acknowledges that under 2 CFR 200.345–200.346, termination of the agreement does not extinguish the USDOT's

authority to disallow costs, including costs that USDOT reimbursed before termination, and recover funds from the Recipient.

16.4 Non-Terminating Events.

- (a) The end of the budget period described under section 11.3 does not terminate this agreement or the Recipient's obligations under this agreement.
- (b) The end of the period of performance described under section 11.4 does not terminate this agreement or the Recipient's obligations under this agreement.

16.5 Other Remedies. The termination authority under this article 16 supplements and does not limit the USDOT's remedial authority under article 15 or 2 CFR Part 200, including 2 CFR 200.339–200.340.

ARTICLE 17 MONITORING, FINANCIAL MANAGEMENT, CONTROLS, AND RECORDS

17.1 Recipient Monitoring and Record Retention.

- (a) The Recipient shall monitor activities under this award, including activities under subawards and contracts, to ensure:
 - (1) that those activities comply with this agreement; and
 - (2) that funds provided under this award are not expended on costs that are not allowable under this award or not allocable to this award.
- (b) If the Recipient makes a subaward under this award, the Recipient shall monitor the activities of the subrecipient in compliance with 2 CFR 200.332(e).
- (c) The Recipient shall retain records relevant to the award as required under 2 CFR 200.334.

17.2 Financial Records and Audits.

- (a) The Recipient shall keep all project accounts and records that fully disclose the amount and disposition by the Recipient of the award funds, the total cost of the Project, and the amount or nature of that portion of the cost of the Project supplied by other sources, and any other financial records related to the project.
- (b) The Recipient shall keep accounts and records described under section 17.2(a) in accordance with a financial management system that meets the requirements of 2 CFR 200.302–200.307 and 2 CFR 200 subpart F and will facilitate an effective audit in accordance with 31 U.S.C. 7501–7506.

- (c) The Recipient shall separately identify expenditures under the fiscal year 2021 TDP in financial records required for audits under 31 U.S.C. 7501–7506. Specifically, the Recipient shall:
- (1) list expenditures under that program separately on the schedule of expenditures of Federal awards required under 2 CFR 200 subpart F, including “FY 2021” in the program name; and
 - (2) list expenditures under that program on a separate row under Part II, Item 1 (“Federal Awards Expended During Fiscal Period”) of Form SF-SAC, including “FY 2021” in column c (“Additional Award Identification”).

17.3 Internal Controls. The Recipient shall establish and maintain internal controls as required under 2 CFR 200.303.

17.4 USDOT Record Access. The USDOT may access Recipient records related to this award under 2 CFR 200.337.

ARTICLE 18

CONTRACTING AND SUBAWARDS

18.1 Minimum Wage Rates. The Recipient shall include, in all contracts in excess of \$2,000 for work on the Project that involves labor, provisions establishing minimum rates of wages, to be predetermined by the United States Secretary of Labor, in accordance with the Davis-Bacon Act, 40 U.S.C. 3141–3148, that contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

18.2 Buy America.

- (a) For the purpose of the award term at exhibit B, term B.5, the Project is “an infrastructure project.” The Recipient acknowledges that iron, steel, manufactured products, and construction materials used in the Project are subject to the Buy America preference in that award term and this agreement is not a waiver of that preference. All non-infrastructure spending is subject to the Buy American Act, 41 U.S.C. chapter 83.
- (b) If the Recipient uses iron, steel, manufactured products, or construction materials that are not produced in the United States in violation of the award term at exhibit B, term B.5, the USDOT may disallow and deny reimbursement of costs incurred by the Recipient and take other remedial actions under article 15 and 2 CFR 200.339–200.340.
- (c) Under 2 CFR 200.322, as appropriate and to the extent consistent with law, the Recipient should, to the greatest extent practicable under this award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The Recipient shall include the requirements of 2 CFR 200.322

in all subawards including all contracts and purchase orders for work or products under this award.

- (d) For all iron, steel, manufactured products, or construction materials incorporated into the Project and to which a Buy America preference applies, the manufacturer or supplier of the item(s) should provide to the Recipient a signed certification statement attesting that each item procured under this award meets the applicable Buy America preference requirements. The Recipient must maintain on file any certifications received under this section 18.2(d) and provide to USDOT copies of any such certifications or other documentation supporting compliance upon request of USDOT pursuant to article 17 and 2 CFR 200.334-200.338.

18.3 Small and Disadvantaged Business Requirements. If any funds under this award are administered by or through a State Department of Transportation, the Recipient shall expend those funds in compliance with the requirements at 49 CFR Part 26, including any amendments thereto. The Recipient shall expend all other funds under this award in compliance with the requirements at 2 CFR 200.321, including any amendments thereto.

18.4 Foreign Market Restrictions. The Recipient shall not allow funds provided under this award to be used to fund the use of any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

18.5 Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment. The Recipient acknowledges that Section 889 of Pub. L. No. 115-232 and 2 CFR 200.216 prohibit the Recipient and all subrecipients from procuring or obtaining certain telecommunications and video surveillance services or equipment under this award.

18.6 Pass-through Entity Responsibilities. If the Recipient makes a subaward under this award, the Recipient shall comply with the requirements on pass-through entities under 2 CFR Parts 200 and 1201, including 2 CFR 200.331–200.333.

ARTICLE 19

COSTS, PAYMENTS, AND UNEXPENDED FUNDS

19.1 Limitation of Federal Award Amount. Under this award, the USDOT shall not provide funding greater than the amount obligated under section 11.2. The Recipient acknowledges that USDOT is not liable for payments exceeding that amount, and the Recipient shall not request reimbursement of costs exceeding that amount.

19.2 Projects Costs. This award is subject to the cost principles at 2 CFR 200 subpart E, including provisions on determining allocable costs and determining allowable costs.

19.3 Timing of Project Costs.

- (a) The Recipient shall not charge to this award costs that are incurred after the budget period.
- (b) The Recipient shall not charge to this award costs that were incurred before the date of this agreement unless those costs are identified in Attachment D and would have been allowable if incurred during the budget period. This limitation applies to pre-award costs under 2 CFR 200.458. This agreement hereby terminates and supersedes any previous USDOT approval for the Recipient to incur costs under this award for the Project. Attachment D is the exclusive USDOT approval of costs incurred before the date of this agreement.

19.4 Recipient Recovery of Federal Funds. The Recipient shall make all reasonable efforts, including initiating litigation, if necessary, to recover Federal funds if the USDOT determines, after consultation with the Recipient, that those funds have been spent fraudulently, wastefully, or in violation of Federal laws, or misused in any manner under this award. The Recipient shall not enter a settlement or other final position, in court or otherwise, involving the recovery of funds under the award unless approved in advance in writing by the USDOT.

19.5 Unexpended Federal Funds. Any Federal funds that are awarded at section 11.1 but not expended on allocable, allowable costs remain the property of the United States.

19.6 Timing of Payments to the Recipient.

- (a) Reimbursement is the payment method for the TDP.
- (b) The Recipient shall not request reimbursement of a cost before the Recipient has entered into an obligation for that cost.

19.7 Payment Method.

- (a) If the USDOT Payment System identified in section 6.1 is “Delphi eInvoicing System,” then the Recipient shall complete all applicable forms and attach supporting documents, including the SF 270, in Delphi eInvoicing System, which is on-line and paperless, to request reimbursement. To obtain the latest version of these standard forms, visit <https://www.grants.gov/forms>. The Recipient shall review the training on using Delphi eInvoicing System before submitting a request for reimbursement. To guide the Recipient when reviewing this training, the USDOT provides the following additional information, which may change after execution of this agreement:
 - (1) The Recipient may access the training from the USDOT “Delphi eInvoicing System” webpage at <https://einvoice.esc.gov>. The training is linked under the heading “Grantee Training.” The Recipient should click on “Grantee Training” to access the training.

- (2) A username and password are not required to access the on-line training. It is currently available, will be accessible 24/7, and will take approximately 10 minutes to review.
 - (3) Once the above referenced training has been reviewed, Recipients must request and complete the External User Access Request form. Recipients can request the External User Access Request form by sending an email to a Grants/Contracting Officer who is identified in sections 5.4. A request to establish access will be sent once the External User Access Request form is received.
- (b) The USDOT may deny a payment request that is not submitted using the method identified in this section 19.7.

19.8 Information Supporting Expenditures.

- (a) If the USDOT Payment System identified in section 6.1 is “Delphi eInvoicing System,” then when requesting reimbursement of costs incurred or credit for cost share incurred, the Recipient shall electronically submit and attach the SF 270 (Request for Advance or Reimbursement), shall identify the Federal share and the Recipient’s share of costs, and shall submit supporting cost detail to clearly document all costs incurred. As supporting cost detail, the Recipient shall include a detailed breakout of all costs incurred, including direct labor, indirect costs, other direct costs, and travel.
- (b) If the Recipient submits a request for reimbursement that the USDOT determines does not include or is not supported by sufficient detail, the USDOT may deny the request or withhold processing the request until the Recipient provides sufficient detail.

19.9 Reimbursement Request Timing and Frequency.
