

United States Marine Highway Program

Marine Highway M-GNM1

Route Name: Guam and the Commonwealth of the Northern Mariana Islands

Sponsor: Port Authority of Guam (PAG) and Commonwealth Ports Authority (CPA)

Route Designated: 2021

Landside Route Served: PAG and CPA applied collectively to designate the waterways currently used to transport all goods and commodities between Guam and the Commonwealth of the Northern Mariana Islands (CNMI) main islands of Rota, Tinian, and Saipan.

Route Description: PAG and CPA both service marine operations of containers, break-bulk, roll-on/roll-off (RORO) vessels, fishing vessels, fuel operations, and occasionally passenger vessels/cruise ships. The Marine Highway Route Designation supports the expansion of the already existent containerized freight service to the islands.

Route Length: 138 Statute Miles
